

# Proven **Pesticide Free** Termite Protection

Professional Architects and Builders specify and trust stainless steel termite protection.

[www.termsteel.com.au](http://www.termsteel.com.au)  
PESTICIDE-FREE TERMITE MANAGEMENT FOR NEW HOME CONSTRUCTION

**60  
YEAR  
\$1,000,000  
WARRANTY**

## Industry First 60 Year Diamond Warranty

TermSteel is a proven termite exclusion system using the TS 1000 high grade stainless steel mesh (compliant to the new Australian Standards) for the protection of new buildings.

TermSteel is CodeMark certified and backed by TermSteel's Industry first 60 Year \$1,000,000 Diamond Warranty.

**TS 1000  
STAINLESS  
STEEL**

- TermSteel is manufactured from high grade, integrated, non penetrable, superior TS 1000 grade - stainless steel woven mesh (superior to standard 316) with our added manufacturing process to aid its effectiveness.

## 100% Pesticide Free Termite Protection

- TermSteel is 100% PESTICIDE FREE, requires minimal maintenance, requires no ongoing pesticide re-treatments, and will not corrode or rust in any environment. Especially as it is installed around slab penetrations and building perimeters providing effective, warranted protection for a minimum 60 years (*subject to warranty conditions*). TermSteel is integrated into the structure, around service pipes coming through the slab and cavity walls, where the meeting of slabs, footing and walls at ground level may provide access for termites.
- TermSteel's Termite Management System protects your client's property long after you have finished. Now that's 'Peace of Mind' for everyone, and that's just good business.

**100%  
AUSTRALIAN  
OWNED  
COMPANY**

**CODEMARK  
APPROVED**

TermSteel can be used in almost any building situation. Contact us to see how the TermSteel Termite Management System can be adapted to your next project.

**PROVEN IN  
AUSTRALIAN  
CONDITIONS**

## Safe for Everyone, Proven Termite Protection

- For over 20 years, Stainless steel mesh has been protecting hundreds of thousands of new Australian homes, large and small commercial and industrial sites
- TermSteel is Safe for your Client's families, pets and the environment (pesticide free)
- Safe for your employees and all trades on site

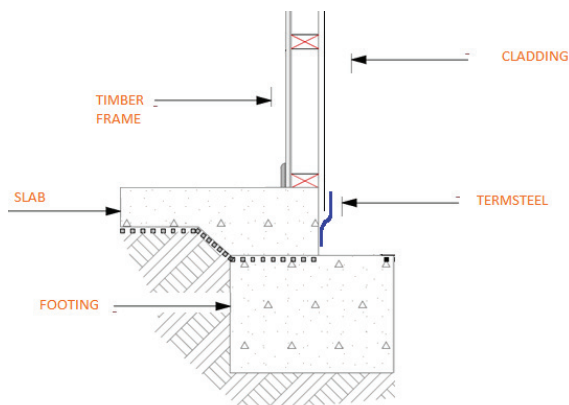

Details for the installation of TermSteel stainless steel mesh at perimeter barrier to walls at Slab-on-ground.

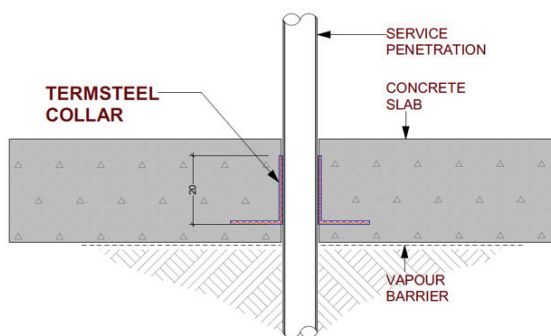

TermSteel is CodeMark Certified. The CodeMark Scheme supports the use of new and innovative building products by providing a nationally and internationally accepted process for products to be assessed for compliance with the requirements of the building codes of Australia and New Zealand.

The scheme provides confidence and certainty to regulatory authorities and the market through the issue of a Certificate of Conformity.

Details for the installation of TermSteel at perimeter from slab to outer wall.

Details for the installation of TermSteel at service penetration.

- Meets requirements of Australian Standard 3660.1.2014
- Complies with Building Code of Australia - Acceptable Termite Management System
- Installed by fully trained and authorised installers
- Codemark Approved SAIG-10-20035

## 100% Pesticide Free Termite Protection

**TermSteel is a 100% Australian Company** with Directors having over 100 years combined Industry experience.

### **Industry First \$1,000,000 60 Year Diamond Warranty - let the others follow.**

Simply put, if termites breach the installed TermSteel System, your Client's structural and decorative timbers are covered.

Uniquely we firstly eliminate any termite breach with Sentricon™, the world's first and best elimination process.

Then we fix the breach and complete any required repairs.  
*(Subject to annual inspection as per the building code recommendation.)*

**To help support the environment, TermSteel will pay CarbonNeutral to plant a tree** for each and every new home we protect and even more for large commercial sites. All clients receive a verification certificate.

### **TermSteel is committed to the awareness of prostate cancer early diagnosis and eventual cure.**

A percentage of every single job completed is donated to the Prostate Cancer Foundation of Australia.
